## FROM OUR EXECUTIVE DIRECTOR

2023 proved to be a remarkable year for the San Juan Education Foundation, as we reached more students, teachers and schools and worked diligently to amplify our influence, expand our donor network, and enhance our organizational well-being.

- In May, hundreds of San Juan Unified community members ran in the Fair Oaks Chicken Run, making it the most well-attended year yet and showing great support for its beneficiary (us!).
- Our An Evening with the Stars Gala generated nearly \$100,000, marking it as our most prosperous gala to date.
- We introduced three new Scholarship Programs to our portfolio, adding scholarships for female performing artists, English Language Learners, and students with a passion for public service.
- We allocated \$78,000 in grant awards to enhance classroom libraries, introduce new theater programs, facilitate exciting field trips, acquire new musical instruments, and so much more. (For details, visit [SanJuanEducationFoundation.org](http://SanJuanEducationFoundation.org).)

One of the most thrilling developments was the \$135,000 Community Grant from Link Logistics, earmarked for our new Arts Education Grants Program. This grant, in conjunction with funds from Proposition 28, the Arts and Music in Schools Funding Guarantee and Accountability Act, will help bridge the gap in establishing and maintaining impactful arts education initiatives district-wide.

Your unwavering support and kindness enable us to expand, thrive, and fulfill the aspirations of the San Juan Unified community. We extend our heartfelt gratitude to you!
